

## **GSC 2020 | General Body Meeting**

**June 15th, 2020**

### **Discussed items:**

- Ammar started by updating the members the KC3 Education Domain outcomes. He explained the concern of GPA absence for master's students in case of allowing pass and fail in the Fall. Ammar also discussed COVID-19 Out of Kingdom Town Hall
- Maram updated the team on TEDx KAUST last meeting with the Enrichment office. She will follow up with the progress soon.
- Sakhaa mentioned that Professor Bulent Erbilgin asked to postpone the collaboration until the summer course finishes. Sakhaa discussed the potential opportunities for a virtual career fair in July and to better communicate this to the student body. Sarah asked on how to reach out to graduating students about future career, and whether is structured or no. Mohammed mentioned the case of bottom-up approach in bioengineering program.
- Sarah is currently working on establishing a committee for each of the three divisions. Sarah also updated the members on the progress of implementing an introduction to labs/research program for new students. Mohammed suggested creating more connections between senior students and new students.
- Mawadda discussed how to be more active in social media. Ammar suggested creating posters of GSC members with their short bio. Sakhaa suggested communicating with comic consumable messages about GSC progress and initiatives. Eman mentioned the significance of weekly regular posts.
- Ammar stressed the importance of being proactive and elate to any changes to the KC3 Education Domain.
- Ammar and Michael concluded by asking the GSC members to take the initiatives for their bi-weekly agenda and send it over to Eman as well as encouraging teamwork.
