

GSC 2020 | General Body Meeting

April 8st 2020

Discussed items:

- GSC discussed COVID-19. Mohammed and Eman suggested that more transparency is needed in communicating the cases (gap between the 7 and the 4 cases). KAUST has been under lockdown for a month. What is the VP strategic plan to open campus & the library?
- Biweekly GSC meeting time is changed to Tuesdays at 1:00 pm. The deadline to post on the bulletin is Wednesday at noon, which is the same time as GSC meetings. Propose changing GSC meeting time to accommodate for that in case we needed to post anything on bulletin.
- Meeting VP of Academic Affairs is scheduled on Tuesday April 14th at 3:00 pm. Survey will be sent out on behalf of the GSC by the graduate affairs.
- GSC is going to hold a town hall for students to discuss their affairs on April 15th at 3:00 pm.
- Ammar proposed a new officer titled as GSC Campus & Students Outreach Officer (CSOO) to collaborate on TEDx KAUST & WEP. Ammar will provide a drafted description for CSOO role.
- Speaking of the constitution, Mohammed proposed the idea of dual pairing for GSC officers
