

GSC 2020 | General Body Meeting

December 1st, 2020

Discussed items:

- Bicycle pumps around campus needs to be fixed, and the URO is to follow up with Paul in this regards.
- The team followed up on the discussion of giving older single PhD students (30+ years old) the option of living in unshared accommodations, and the GSC President is to follow up with the VP of Community Life in this regards.
- The team would like to thank Graduate Affairs for their tireless efforts in making the virtual commencement happen. PRO is to create a thank you poster.
- The commencement planning committee agreed to include a speech from the GSC in commencements starting this year onwards. For this year, a congratulatory message is to be recorded by GSC President.
