

GSC 2020 | General Body Meeting

April 20th , 2021

Discussed items:

Main Discussion Topic : Election Update

- The GSC members discussed the update of the GSC election.
 - The deadline for the GSC application is April 20th at 5:00 pm
 - The GSC application will be open until April 20th at 11:59 pm
 - The number of students who have registered to be part of GSC are 10 only. (Morning of April 20th)
- The members have discussed about what should be the process if there were only 10 registered for the GSC election (No election ?) :
 - Ammar stated three possible suggestions:
 - First: extend the application for the GSC to give the student the chance to register.
 - Second : no extension for the application because the students who have registered are already committed and know what they are looking for.
 - Third, no extension but the students who are looking to apply could email the GSC saying that they want to apply (show commitment) .
- The GSC decides by voting that there will be no extension for application and if someone wants to apply, they could email the GSC saying that they want to apply.

Main Discussion Topic : IFtar for new the Student

- Ammar stated that the IFtar for the new student will be at the Diner where the GSC will have the chance to communicate and connect with the new student. It is fun experience where the GSC member are not required but encouraged to attend
- Ammar mentioned that we have to create an attending schedule for the IFtar where the GSC are filling their name and date they could attend. He mentioned that to Zainab to do.
