

GSC 2020 | General Body Meeting

January 12th , 2021

Discussed items:

- Ammar confirmed that the proposal for single apartment for senior PhD is agreed on conceptually, but the current timeline does not allow execution .
- Members discussed the importance of delivering a summary of projects and contact details to next GSC members.
- The KC3 EDG emphasized the significance of January testing program.
- Sarah discussed that the tutoring platform can be set on campus connect, in which participants will have an edge to be TAs. Graduate affairs are not willing to pay students for tutoring due to government complications. However, academic programs may be open for paying tutoring. This will also be a social platform to connect to other students on campus.
- GSC wants to switch to higher quality promotional items instead of the little junk things that accumulate. Ammar showed the team the currently designed items such as playing cards, hoodies, caps. A meeting with Todd will take place this Thursday.
- Ammar announced that the secretary requested to end her service on January 12th 2021. All members present (7 of 10) agreed to bring someone from outside to be responsible for the secretary duties. Suggestions of names should be sent to the GSC president.
