

## **GSC 2020 | General Body Meeting**

**September 8<sup>th</sup>, 2020**

### **Discussed items:**

- TEDx KAUST 2021 theme and advisor have been confirmed. The team lead of TEDx is replaced by another member due to graduation.
- Sakhaa will design the infographics for entrepreneurship.
- A Ph.D. student is concerned about the effect of the frequent use of XRD in the core labs. How do they monitor them? Is there any check-up requirement for regular users? Sarah will contact the HSE of research and core labs.
- To increase the visibility of GSC achievements, Michael suggested a quarterly report. Maram and Sakhaa suggested using social media. Abdullah recommended infographics and visuals to raise awareness about the GSC impact.
- The next town hall should be held by the end of September, and its objective is to increase transparency and hear students' concerns.
- The GSC minutes will be uploaded to CampusConnect after the approval of the members.
- For the next GSC election, applicants must make a campaign about why they are interested in becoming members. They must write a paragraph convincing the student body of their plans.
