

## **GSC 2020 | General Body Meeting**

**May 19<sup>th</sup> 2020**

### **Discussed items:**

- Sakhaa discussed the collaboration between GSC and the Entrepreneurship Center. Sakhaa is concerned about the effectiveness of the summer course in an online platform and will propose workshops; she is going to meet this Thursday with the director of the Entrepreneurship Center.
- Michael discussed student isolation and engagement in the summer. Eman suggested trivia nights and competitions with meaningful rewards, and Sunny suggested to eliminate games that relay on talking but instead utilize Mafias game.
- Mohammed raised the issue of inefficacy from working at home for students with family. Mohammed also asked about the consequences of traveling outside the Kingdom. He also asked for a more clarification on the COVID-19 announcements, a more detailed post with definite information.
- Ahmed discussed shipment issues. Clear communication needs to be sent out to avoid troubles.
- Michael closed the discussion with reviewing progress on TEDx from last meeting. He mentioned that a committee has been formed and Sarah will update us more in the future.
